

A creative workspace featuring a laptop on a wooden desk. The laptop screen displays a Pinterest board with three images: a woman in a pink dress, a lush green plant, and a woman in a white dress. On the wall behind the laptop is a bulletin board with various items: a large watercolor painting of a city skyline, a small drawing of a plant, a photograph of a man, a poster titled "Everything Is Connected: Art and Conspiracy", and three sticky notes. One sticky note is pink and titled "ABS ROUTINE", another is blue and titled "BRAIN", and the third is orange and titled "Enkayen Hattig". A wicker basket is on the left side of the desk, and a small framed picture is on the right.
